

## FILTERS, FILTER CLEANING & MORE

Provent Kit for JEEP Grand Cherokee (2011-Feb2017) 3.0L Turbo Diesel WK V6 4V DOHC

**KIT No: OS-PROV-24**

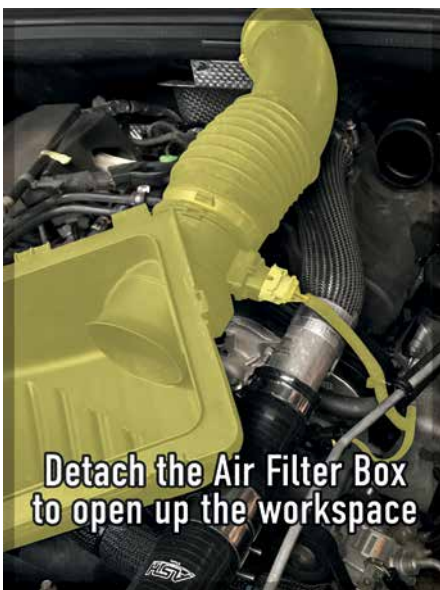

### Fitting Instructions for Mann Provent 200 Kit

- STEP 1:** Ensure Engine is OFF and cool enough to work on.
- STEP 2:** Remove Plastic Engine Cover by pulling up (img.1).
- STEP 3:** To open up the work area, Remove the Top of the Air Filter Box and Loosen the Ducting Hose Clamp (img.2).
- STEP 4:** Remove Existing Hose that runs from the front of the engine, up to the rear of the passenger side, then joins onto the air intake (img.3).
- STEP 5:** Fit Bracket to the Engine - identifying the 2 threaded bolt holes, attach using the 2 supplied 6mm bolts & washers (nuts on the back of the bracket should be facing the firewall).
- STEP 6:** Swivel Provent's position within it's Bracket (4 clicks clockwise) Fit Clear Drain Hose to the Lower Outlet of the Provent 200 unit and then secure with hose clamp (img.4).
